A list of major participating pharmacies

ESPAÑOL

You may be able to get the seasonal flu shot – as well as other vaccines – at your local retail pharmacy. Depending on your plan, vaccines may be covered under your medical benefit at no cost-share (\$0) to you.*

You shouldn't need to make an appointment to get a vaccine but you should call your pharmacy to make sure your vaccine is available at that location.

Major participating pharmacies in your network that offer vaccines include:

CVS, Kroger, Publix, Rite Aid, Safeway, Sam's Club, United Super Markets, Walgreens, and Walmart which includes their family of pharmacies
