What does VSP vision insurance cover?

Everyone needs an annual eye exam, and most families have at least one member who needs glasses or contacts. In addition to a comprehensive eye exam, VSP covers lenses and lens enhancements with low copays or savings on standard pricing. Some plans also cover sunglasses.

Plus, with an average of five VSP network doctors within six miles of you, it's super easy to find (or keep seeing!) a doctor you'll love.

Using your VSP benefit is easy. There are no claims to file when you see a VSP provider and other eye-related services.
